Q34A. [SPLIT A] [SPLIT A – TRUMP] Regardless of how closely you've been following the situation... As you may know, Trump had promised in his campaign to release what he has called the "Epstein files" related to convicted child sex offender Jeffrey Epstein. This included a "client list" of people who were allegedly involved with Epstein's criminal activity. Trump's administration has now said no such "client list" exists.

Knowing this... Do you think the Trump administration is telling the truth or the Trump administration is covering up the "client list"?
