Q45. Thinking about the various issues being discussed in the dispute over the government shutdown... As elected officials negotiate over the shutdown, which of the following two items do you think should be the most important priorities for **Democrats in Congress**? Select your top two.

Stopping cuts to Medicaid and the Affordable Care Act that would strip people of their health care.....	41%	38%	52%	42%	29%

Stopping cuts to crucial federal programs, like medical research.....	12	13	10	7	15
None of the above.....	15	17	3	22	26

Q46. As you may know, the Democrats in Congress say they would vote to end the shutdown as long as Trump and the Republicans agree to a deal that extends health care tax credits and restores health care coverage for millions of Americans.

If a deal is reached on this to end the shutdown and restore health care, would that leave you with a favorable or unfavorable view of how Democrats in Congress handled the shutdown?
