Q125. Even if neither side is exactly right, who do you find more convincing?

	Feb 20	Dem	Ind	Rep
Those who say the federal government should not regulate social media platforms, because getting the government involved will only create more bureaucracy and harm freedom of speech, and it won't even do a good job of preventing disinformation efforts.	36%	30%	35%	44%
Those who say the federal government should do more to regulate social media platforms, because these companies are mostly going to be focused on making money, not preventing disinformation efforts by foreign governments or other bad actors.	35	44	26	29
Don't know enough to say	28	26	38	27
