Q109A. [SPLIT A] Even if you don't agree with either side completely, which side do you agree with more?

President Trump says that the Chinese government is fully responsible for the spread of coronavirus. China lied about the severity of the early spread of the virus and in doing so, put the health of Americans and people around the world at risk. As soon as the risk became apparent, President Trump acted decisively to save lives by banning all travel from China 46%

The Chinese government mismanaged their handling of the coronavirus and tried to cover it up, but Donald Trump is simply blaming China as a distraction from his own failure to contain the virus in our country. Trump downplayed the seriousness of the virus from the beginning, letting the situation get worse when we should have been preparing..... 54

Q109B. [SPLIT B] Even if you don't agree with either side completely, which side do you agree with more?

President Trump says that the Chinese government is fully responsible for the spread of coronavirus. China lied about the severity of the early spread of the virus and in doing so, put the health of Americans and people around the world at risk. As soon as the risk became apparent, President Trump acted decisively to save lives by banning all travel from China 51%

Donald Trump is simply blaming China as a distraction from his own failure to contain the virus in our country. Trump downplayed the seriousness of the virus from the beginning, letting the situation get worse when we should have been preparing..... 49
