Q111_5. Many people have criticized the president for downplaying the coronavirus crisis in the early days. But thinking about his actions more recently, which of the following concerns you most about how Trump has handled the coronavirus crisis?

	Apr-29	Latest Data by Party		
		Dem	Ind	Rep
Trump's is not leading the country and has no plan to get us out of the crisis -- that Trump has no national plan for testing or solving the country's health problems so we can safely reopen the country and that Trump has not shown the leadership we should expect from a President, instead blaming and passing the buck to others instead of taking responsibility for the situation.....	20%	30%	17%	9%
Trump's words and actions are putting people's health and lives at risk -- that Trump is ignoring health experts by too aggressively pushing to reopen the country which puts people's health at risk, is encouraging people to protest stay-at-home orders which will only spread the virus further, and is promoting dangerous medical advice like taking drugs that do more harm than good and injecting themselves with bleach.....	46	64	54	24
