That businesses will suffer because parents will be juggling parenting, work, and helping their children with schooling.....	12	6	15	18	9	14	12
None of these concern me	4	3	8	5	4	4	5

W21_22. As you may or may not know, some colleges and universities that have reopened for the fall in-person have had to close back down after outbreaks of coronavirus on campus. Some have blamed various government actors and institutions for pushing colleges and universities to reopen too soon with proper safety precautions in place, while others have blamed students for socializing and spreading the virus through social events.

Who do you blame for recent outbreaks at colleges and universities?
