Q68. [HEARD AT LEAST A LITTLE ABOUT TX OUTAGES] Who or what do you blame for the recent outages of power, water, and other public utilities in Texas?

Q69. As you may or may not know, the state of Texas recently experienced unprecedented winter storms and frigid temperatures that caused much of the state's electrical grid to go offline. As a result, millions of people across the state were and have been without power and water for days. Knowing this, which do you agree with more?
