Supporters of vaccine requirements who say that these type of requirements have been around for decades. Students are typically required to receive the smallpox and polio vaccine, and it only makes sense to require the coronavirus vaccine as well.	54%	72%	51%	36%	54%	62%	53%	72%
Opponents of vaccine requirements who say that requiring vaccination is a violation of personal freedom. It should be someone's choice if they choose to receive the vaccine, just like it should be their choice if they want to tell others whether or not they have received it.	37	21	36	54	32	27	40	13
