**BBBSUPPORTTAX.** Biden and Democrats' new economic plan would be paid for by increasing taxes on billionaires and multi-millionaires with income over \$10 million, creating a minimum 15% tax on corporate profits, adding an additional 1% tax on corporations that use profits to buy back their own stock, and cracking down on tax evasion. Knowing this, do you support or oppose this plan?

**Q101.** As you may or may not know, Republican Governor Ron DeSantis recently revoked Disney's special tax status allowing it to pay for, manage, and oversee the Disney World property it owns in Florida. DeSantis said this move was in response to Disney opposing Florida's "Don't Say Gay" law - a law allowing parents to sue their local school district if sexual orientation or gender are mentioned in the classroom. Revoking this status could lead to local taxpayers paying much more in taxes - with some estimating a nearly 20% tax increase. Knowing this, do you support or oppose Republican Governor Ron DeSantis revoking Disney's special tax status?
