S1. As you may know, there will be an election for Congress in November 2022. I know it is a long time from now, but how likely are you to vote in the general election in November 2022? Will you definitely vote, probably vote, are the chances 50-50, will you probably not vote, or will you definitely not vote?

	<u>Aug-31</u>	<u>Latest Data by Party</u>			<u>Latest Data by Race</u>

Q35. As you may know, in November, there will be elections for offices including the House and Senate. There is currently a Democratic majority in the House and the Senate, but if Republicans win enough seats, they could hold a majority of seats in the next Congress. If Republicans win a majority in the House and/or Senate, which of these issues do you feel they would actually be most focused on?
