Donald Trump has been put on trial by our justice system the same way any other American would be. Those who say that we should set the record straight. In the rare instances where a young transgender person needs gender-affirming care to thrive, they undergo extensive counseling and together with their parents, always receive evidence-based care that has been approved by the American Medical Association	55	81	47	30	60	58	53	74	64
