Q40. Thinking some more about Project 2025...

[RESPONDENTS SAW RANDOMIZED ORDER OF STATEMENTS]

Some say that Project 2025 is a policy plan that represents the next conservative Republican president’s last chance to save the republic, rescuing the country from the grip of the radical left through the right governing agenda and the right leadership.

Others say that Project 2025 is an extreme Republican plan that will give the president new and unchecked powers over federal agencies, eliminate abortion access, and roll back action on climate change, LGBTQ+ rights, and other areas.

Again, based on what you know, do you support or oppose Project 2025?
