While we should deport those who have been convicted of violent crimes, we need to take care not to deport those who came here as children, have been here for many years, are working in jobs that are contributing to the country and economy, or are spouses or parents of U.S. citizens	60%	82%	59%	39%	65%	65%	59%	64%
We should quickly deport those who have been convicted of violent crimes, and if other illegal immigrants get deported along the way, then that is okay since they are here illegally, too. This is what it takes to keep our communities safe from violent criminals.	40	18	41	61	35	35	41	36
