[2] Previously, the text for this question was as follows: "As you may know, tech CEOs including Mark Zuckerberg, Elon Musk, Jeff Bezos, and others all donated significant sums of money to Trump's inauguration fund and attended the inauguration in person. Musk has a formal role in the Trump administration and the others appear to be seeking significant influence. Do you see these tech CEOs' influence in Trump's administration as more of a good thing for the country or more of a bad thing for the country?"

Q39B. [SPLIT B] As you may know, Donald Trump's administration has given Elon Musk's Department of Government Efficiency (DOGE) power to make significant cuts to federal government spending and lay off thousands of federal government employees. How concerned are you about these cuts?
