**Q63.** As you may know, in 2017, President Trump and Republicans in Congress passed a tax law.

[STATEMENTS WERE ROTATED; "SOME" AND "OTHER" WERE ANCHORED]

Some say that this tax plan gave tax breaks disproportionately to the wealthy and big corporations, giving millionaires and billionaires the biggest tax cuts and widening the gap between the rich and everyone else, while adding trillions to the budget deficit and the national debt.

Others say that this tax plan benefited all Americans, including the middle class and working people, by giving tax cuts to all taxpayers, increasing investment, and growing our economy to new highs.

Again, do you support or oppose Trump and Republicans' 2017 tax plan?

[STATEMENTS WERE ROTATED; "SOME" AND "OTHER" WERE ANCHORED]

Some say that this new tax plan will disproportionately benefit the wealthy and big corporations, giving millionaires and billionaires the biggest tax cuts and widening the gap between the rich and everyone else, while adding trillions to the budget deficit and the national debt.

Others say that this tax plan will benefit all Americans, including the middle class and working people, by giving tax cuts to all taxpayers, increasing investment, and improving our economy by allowing companies to grow and innovate with lower taxes.

Again, do you support or oppose Trump and Republicans' new tax plan?
