People in **[STATE]** are about to feel the direct impact of Donald Trump and Republicans in Congress cutting more than $1 trillion in federal funding for Medicaid and SNAP, putting millions at risk of losing health care and food assistance. Democrats who say that what ICE has been doing is unacceptable: ICE is being far too aggressive and broad in its approach. Unqualified immigration agents are acting violently towards people - even killing two citizens. And instead of going after criminals, they are targeting people based on their looks, targeting U.S. citizens without warrants, and targeting children and families. This all must stop.	59%	92%	66%	22%	76%	76%	53%	71%
Republicans who say we must finally crack down on illegal immigration by giving ICE and Border Patrol what they need to secure our country. Democrats who say that we need to change ICE's approach, which is far too aggressive and violent and is wrongly targeting citizens, children, and people based on how they look. Democrats support a different approach that goes after criminals and secures the border, while still treating people humanely and allowing immigrants who have been working, paying taxes, and following the law to stay here legally.	62%	95%	77%	24%	82%	71%	57%	62%
