Below is some more information about the Supreme Court’s ruling:

Supporters say this decision makes sure every voter is treated equally under the law. It changes an outdated law and restores fairness and integrity in our elections.

Opponents say this is a decision by a partisan Supreme Court to help rig elections and silence the voices of millions of Americans in order to protect the interests of the rich and powerful.

Q90. Again...the Supreme Court recently decided to narrow the protections of the Voting Rights Act in *Louisiana v. Callais*. Do you think this was the right decision from the Court or the wrong decision from the Court?
