Q110. As you may or may not know, Paul Pelosi was attacked on October 28th when an assailant broke into the couple's home in California through a glass door and struck him in the head with a hammer. Nancy Pelosi was in Washington, D.C. at the time. Paul Pelosi was transported to the hospital and underwent surgery for a skull fracture and injuries to his right arm and hands. The suspect was looking for Nancy Pelosi when he broke into the home and has shown an inclination toward conspiracy theories and far-right extremism in his social media posts.

Knowing this, how concerned are you about politically motivated violence in the United States today?
